Federal Law requires us to carefully and thoroughly verify your identity.

Identity theft is the fastest growing crime in America. Medical identity theft is the fastest-growing type of identity theft, and is committed when someone other than you is using your personal information to obtain medical services.

Stanford Hospital & Clinics is committed to protecting your identity. We will be reviewing documentation that you will be asked to provide which is designed to protect you. Please be prepared to share any of the following forms of photo identification in any of our intake areas:

- U.S. or International Passport
- State-Issued Drivers License
- State-Issued Identification Card
- U.S. Military Identification Card
- Valid Permanent Resident Card ("Green Card")
- Valid Original Birth Certificate

From time to time we may need to ask you for additional information to verify your identity. We apologize for any inconvenience this may cause you. Please remember we want to protect you and comply with Federal Law. Thank you again for your understanding.

Sincerely,

Stanford Children's International Patient Services
