

North Pacific Child Neurology Colloquium 2016

Friday, May 20, 2016 • 8:00 am – 4:45 pm

The Frances C. Arrillaga Alumni Center at Stanford University

Presented by the Department of Neurology at the Stanford University School of Medicine

Sponsored by the Stanford University School of Medicine

All faculty members are affiliated with Stanford University School of Medicine unless noted otherwise.

7:00 am – 8:00 am	Registration & Continental Breakfast		Colin Roberts, MD
8:00 am – 8:05 am	Introduction & Welcome Paul G Fisher, MD Bing Director of the Program in Human Biology, Beirne Family Professor of Pediatric Neuro-Oncology, Professor of Pediatrics and, by courtesy, of Neurosurgery at Stanford University Medical Center	11:30 am – 11:45 am	Pediatric Neurologist Oregon Health & Science University
		11:45 am – 12:00 pm	Resident case (Not for CME credit)
		12:00 pm – 1:00 pm	Resident case (Not for CME credit)
		1:00 pm – 2:00 pm	Lunch
8:05 am – 9:00 am	Keynote: Neonatal Epilepsy Robert R. Clancy, MD Professor of Neurology The Perelman School of Medicine University of Pennsylvania	2:00 pm – 2:30 pm	Neuro Bowl Paul G. Fisher, MD Joseph Pinter, MD Pediatric Neurologist Oregon Health & Science University
9:00 am – 9:10 am	Break		Eye Issues in NF1, Pseudotumor Shannon Beres, MD Clinical Assistant Professor of Neurology and Neurological Sciences
9:10 am – 9:15 am	Welcome to Colloquium Sonia Partap, MD Course Director Clinical Associate Professor, Neurology and Neurological Sciences	2:30 pm – 3:00 pm	Current Research Therapeutic Strategies in Duchenne Muscular Dystrophy and Spinal Muscular Atrophy Carolina Tesi-Rocha, MD Clinical Assistant Professor of Neurology and Neurological Sciences
9:15 am – 9:45 am	Oxytocin and Vasopressin: Biomarkers and Therapeutic Targets for Autism Karen J. Parker, PhD Associate Professor (Research) of Psychiatry and Behavioral Sciences	3:00 pm – 3:15 pm	Break
		3:15 pm – 3:30 pm	Resident case (Not for CME credit)
		3:30 pm – 3:45 pm	Resident case (Not for CME credit)
9:45 am – 10:15 am	Headache and New Treatments Amy Gelfand, MD Assistant Professor of Clinical Neurology and Pediatrics UCSF School of Medicine	3:45 pm – 4:15 pm	Undiagnosed Disease Network Paul G. Fisher, MD
		4:15 pm – 4:45 pm	Chiari 1 – Who Needs Surgery Gerald Grant, MD, FACS Associate Professor of Neurosurgery and, by courtesy, of Neurology Chief, Division of Pediatric Neurosurgery
10:15 am – 10:30 am	Break		Adjourn
10:30 am – 11:00 am	Concussion and Risk Factors Karen M. Barlow, MD Associate Professor, Paediatrics and Clinical Neurosciences Alberta Children's Hospital and Research Institute	4:45 pm	
11:00 am – 11:30 am	Seizures and Cannabinoids		(Program subject to change)

Opportunities for Q & A will be provided after each presentation

Faculty Disclosure: The Stanford University School of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of faculty and commercial relationships will be made prior to the activity.

A Continuing Medical
Education Activity

Stanford
MEDICINE

STATEMENT OF NEED

This CME program seeks to fulfill the need in the practicing child neurology and developmental pediatrics community to increase and improve the fund of knowledge as well as potentially change practice in patients with both common and rare diseases that carry a high morbidity and mortality. With the aid of experts in sub-specialty fields, attendees will have the opportunity to interact with leaders in the field.

LEARNING OBJECTIVES

- Appropriately evaluate afflicted patients and determine when to refer patients to an eye specialist when there are concerns of Neurofibromatosis Type 1 (NF-1), pseudotumor, and Neuromyelitis Optica (NMO)
- Describe the mechanism of treatment of Duchenne Muscular Dystrophy (DMD) and Spinal Muscular Atrophy (SMA) and appropriately triage these patients to centers where clinical trials are available
- Recognize when a child with multisystem disease including neurologic disease requires genome, metabolome, or immunome screening

WHO SHOULD ATTEND?

This activity is intended for pediatric neurologists, developmental pediatricians, pediatric neurosurgeons, nurse practitioners, nurses, fellows, residents, and medical students.

ACCREDITATION AND DESIGNATION OF CREDITS

The Stanford University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Stanford University School of Medicine designates this live activity for a maximum of 6 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements, as long as the course is certified for *AMA PRA Category 1 Credit(s)*[™] (rn.ca.gov). Nurses will receive a Certificate of Attendance following this activity that may be used for license renewal.

CONFERENCE LOCATION

The Frances C. Arrillaga Alumni Center is located on the Stanford campus at 326 Galvez Street, at the intersection of Campus Drive and Galvez Street. For an interactive campus map visit <http://ucomm.stanford.edu/map/>. Conference parking is available in the Galvez Lot (L-96) at the discounted rate of \$8/day. One week before the conference, parking information including the discount code will be emailed to all registered attendees. Contact: Marifin Besona, CME Coordinator

REGISTRATION INFORMATION AND CANCELLATION POLICY

Register online by May 6, 2016 at www.cme.stanfordchildrens.org. A written cancellation must be received in writing before May 7, 2016. Registration fee, less a \$10 administrative charge, will be refunded. No refunds will be made on cancellations received after that date. Please contact our office at (650) 498-6757 or lpchcme@stanfordchildrens.org.

Registration Fee

\$50 Physicians/Nurses/Allied Health Professionals
\$25 Residents/Fellows

Medical Students - Free (online registration required)

POST-CONFERENCE EVENT

At the conclusion of the conference, participants are invited to a reception. Location to be determined. Please RSVP to Julie Ng at julieng@stanford.edu.

HOTEL INFORMATION

If you would like to take advantage of the special rates secured at the Sheraton Palo Alto, located within a five minute drive of the conference location, please call 800-325-3535 or 650-328-2800 and ask for the North Pacific Child Neurology Colloquium 2016 \$159 conference rate (subject to availability). Specialty rate ends April 28, 2016. The Sheraton Palo Alto Hotel is located at 625 El Camino Real, Palo Alto, CA 94301. Occupancy tax is 14% and a California tourism tax of 0.195% will be charged per room night. A Convention and Visitors Bureau Tourism fee of \$0.84 will be charged per room night. These taxes are not included in the room rate and are subject to change without notice. The Sheraton offers valet parking for \$19 per day or self-parking for \$14 per day. Parking fees are subject to change.

For additional lodging options, please visit <http://visit.stanford.edu/plan/lodging.html>.

Nearby Airports
