This is for anyone who receives medically necessary services from Lucile Packard Children’s Hospital Stanford (“LPCH”).

The Plain Language Summary and Financial Assistance Policy for getting assistance with your bill are available in English, Spanish, Chinese, Vietnamese and Tagalog. We will also assist you with translation to other languages.

How Do I Qualify for Financial Assistance?
LPCH is committed to providing financial assistance to qualified low-income patients and patients who have insurance that requires the patient to pay significant portion of their care.

You can ask for help with your bill at any time during your visit or billing process. During the application process you will be asked to provide information regarding the number of people in your family, your monthly income, and other information that will assist the hospital with determining your eligibility for Financial Assistance. You may be asked to provide a pay stub or tax records to assist LPCH with verifying your income.

If your yearly income is less than or equal to 400% of the current Federal Poverty Guideline, you may not have to pay your bill. You are responsible for providing required information in a timely manner.

Federal Poverty Guidelines can be found at: https://aspe.hhs.gov/poverty-guidelines

You may qualify for assistance with all or part of your bill. After you submit the application, the hospital will review the information and notify you in writing regarding your eligibility.
