Perinatal Diagnostic Center – Santa Cruz

1685 Commercial Way, Suite A
Santa Cruz, CA 95065

Our seven Perinatal Diagnostic Centers provide a full range of diagnostic, treatment, consultation and counseling services to pregnant women.

A Lucile Packard Children’s Hospital Stanford maternal-fetal medicine specialist (high-risk obstetrician), ultrasonographer and genetic counselor are on staff at each center.

Our expert team:

• Provides the highest quality care with a unique, personalized approach.
• Uses state-of-the-art technology.
• Provides the information and support you need to make the choices that are right for you.
• Promptly communicates, without delay, the results of any prenatal testing to you and your referring provider.
• Emphasizes open communication to best support your medical and emotional needs.
• Provides high-risk obstetrical care and planning through our Fetal and Pregnancy Health Program if you or your baby have complex health issues.
