

Perinatal Diagnostic Services – Palo Alto

West Building
725 Welch Rd, 3rd fl, Ste 391
Palo Alto, CA 94304

Our seven Perinatal Diagnostic Centers provide a full range of diagnostic, treatment, consultation and counseling services to pregnant women.

A Lucile Packard Children's Hospital Stanford maternal-fetal medicine specialist (high-risk obstetrician), ultrasonographer and genetic counselor are on staff at each center.

Our expert team:

- Provides the highest quality care with a unique, personalized approach.
- Uses state-of-the-art technology.
- Provides the information and support you need to make the choices that are right for you.
- Promptly communicates, without delay, the results of any prenatal testing to you and your referring provider.
- Emphasizes open communication to best support your medical and emotional needs.
- Provides high-risk obstetrical care and planning through our Fetal and Pregnancy Health Program if you or your baby have complex health issues.

Please request Map to PDC suite from security or information desk.
