

Public Transit Options to Specialty Services

1195 West Fremont Ave, Sunnyvale, CA 94087

Take Caltrain to a VTA bus, then walk to the clinic. You have 2 options:

1) Take Caltrain to the Mountain View Station

- Get off the train and walk to the Transit Center, where the buses line up.
- Get on **Bus #51**. It will say **De Anza College** across the front of the bus.
- Tell the driver you need to get off **as soon as the bus turns right onto Fremont Ave**.
- The stop is called **Fremont & Truman**. It will take about **20 minutes** to get there.
- **The bus only stops if you pull the cord. Pull the cord before the bus gets to the end of Truman Ave.**
- Step off the bus, turn right, and walk east on Fremont Ave for **0.4 miles**, about **10 to 15 minutes**.
- After crossing a footbridge, take the next left into the parking lot at **1195 W. Fremont Ave**.

2) Take Caltrain to the Sunnyvale Station

- Get off the train and walk across Evelyn St. to the **Transit Center**, where the buses line up.
- Get on **Bus #53**. It will say **Santa Clara Transit Center** across the front of the bus.
- Tell the driver you need to get off at **Remington & Bernardo**. It will take about **20 minutes** to get there.
- **The bus only stops if you pull the cord. Pull the cord before the bus turns left onto W. Remington.**
- Step off the bus, turn right and walk west on Remington, then walk south on S. Bernardo for **0.5 miles**, about **15 minutes**.
- At the traffic light turn right and walk west on Fremont for **0.2 miles**, about **5 minutes**.
- Turn right into the parking lot at **1195 W. Fremont Ave**.
