

## APP HEART CENTER PRIVILEGES

Applicant's Name:

### Instructions:

1. Click the **Request** checkbox to request a group of **Core Privileges**.
2. **Uncheck** any privileges you do not want to request in this group.
3. Individually check off any **Special Privileges** you want to request.
4. Sign form electronically and **submit with all required documentation**.
5. To have **Administration of Sedation** privileges you must complete LPCH APP Sedation Privilege form (contact your medical staff coordinator for the form)
6. As the Supervising Physician I have reviewed and agree to the Physician Assistant Agreement Practice by signing this privilege form. The Physician Assistant Practice Agreement can be found [here](#).

### Required Qualifications

<b>Education/Training</b>	Successful completion of a PA, NP or CNM program
<b>Licensure (Initial and Reappointment)</b>	Current Licensure as a PA or RN in the state of CA
<b>Certification</b>	Current certification as a NP in the state of California Current certification as a PA or NP by a nationally accredited organization
<b>Additional Qualifications</b>	Current BLS from the American Heart Association Current PALS certification
<b>FPPE</b>	FPPE CRITERIA LISTED BELOW. FPPE WILL BE ASSIGNED BY THE SERVICE CHIEF DURING THE APPROVAL PROCESS
<b>Definitions</b>	"General Supervision" means the definition specified at 42 CFR 410.32(b)(3)(i), that is, the procedure or service is furnished under the physician's overall direction and control, but the physician's presence is not required during the performance of the procedure. "Personal Supervision" means the definition specified at 42 CFR 410.32(b)(3)(iii), that is, the physician must be in attendance in the room during the performance of the service or procedure. "Direct Supervision" means that the physician or nonphysician practitioner must be present on the same campus where the services are being furnished. For services furnished in an off-campus provider based department as defined in 42 CFR 413.65, he or she must be present within the off-campus provider based department. The physician or nonphysician practitioner must be immediately available to furnish assistance and direction throughout the performance of the procedure. The physician or nonphysician practitioner does not have to be present in the room when the procedure is performed.

**Age Requested**

**Description:** For Pediatric Nurse Practitioners (PNPs), this includes adult patients with congenital/pediatric-acquired disorders and/or diseases and/or treatments

**Acknowledgment of Applicant**

I have requested only those privileges for which, by education, training and experience I am qualified to perform under the supervision of a physician, and that I wish to exercise at Lucile Packard Children's Hospital.

I attest that I have met all of the required criteria and will meet all competency requirements for each standardized protocol and/or standardized procedure that I have requested.

Also attest that I will adhere to the guidelines of the LPCH Job Description appropriate to my professional role as well as all standardized protocols and/or standardized procedures that I have requested.

By clicking on the "Submit" button below, I have electronically signed, dated and submitted this privilege request \_\_\_\_\_ Date \_\_\_\_\_

**Service Chief Recommendation - Privileges**

I have reviewed the requested clinical privileges and supporting documentation and make the following recommendation(s):

Privilege	Condition/Modification/Deletion/Explanation

Service Chief Recommendation - FPPE Requirements

Supervising Physician - By clicking on the 'Submit' button below, I have electronically signed, dated and approved this privilege request \_\_\_\_\_ Date \_\_\_\_\_

Service Chief - By clicking on the 'Submit' button below, I have electronically signed, dated and approved this privilege request \_\_\_\_\_ Date \_\_\_\_\_
