

Speech-Language Pathology Clinics and Specialists in the Bay Area**

Updated: September 2020

****This list of community resources is for your information, and the inclusion of an organization or an individual on this list is not meant to imply endorsement or referral by LPCH Stanford. These organizations and individuals are not affiliated with LPCH Stanford.**

The providers are listed in alphabetical order.

Accredited speech-language pathologists can be searched for via zip code and/or specialty on the American Speech-Language-Hearing Association website:

<http://www.asha.org/findpro/>

You can also contact your primary care physician (PCP) or your insurance company for a list of local providers.

If your child is **younger than three years of age**, s/he may qualify for speech pathology services through California's Early Start Program.

<https://www.dds.ca.gov/services/early-start/>

If your child is **older than or nearing three years of age**, s/he may qualify for speech pathology services through your **local school district**.
